Vocational Workshop #5

By Tim Brown

The Day of Success at Working Wardrobes was a great day. The day began with a continental breakfast. Following breakfast, our clients attended a workshop on resume' building.

It takes 3 Rotarians to help decide on shoes – Jackie Birdsong, Gordon Bagne and Alberto Molina

Clients were then greeted by our club members who acted as personal shoppers for them while picking out a suit, dress slacks, shirt, ties, socks, t-shirts, briefs and shoes.

Don Norman and Bob Lind giving their recommendations

Gil Thweatt checking his list twice

After the shopping was done, lunch was served and pictures were taken. What made the day special was all of our club members who took time out of their busy Saturday to meet and help our clients pick out business attire. It was by far the largest turn out of club members in the three years we have been doing this project.

A special thanks from Laura, Patricia, Chuck and myself for your participation

All You Can Eat Lobsterfest

Kimberly McKinney reviewing underwriting opportunities for the Lobsterfest

The cities of Newport Beach and Costa Mesa will be placing banners advertising the event and sponsor's names will be on the banner. Call Kimberly for help and guidance. Members are encouraged to check out the Club website.

Environmental Nature Center

Chris Szechenyi introduced Bo Glover, Director of the Environmental Nature Center where we are meeting today.

At the ENC you can find 15 representative Ecological Habitats of California, a Discovery Room packed with neat things to touch and investigate, Nature Camp in the summer, and a quiet place to sit and enjoy Life on your lunch hour. Per ENC, "Browse through the ENC website to learn about ENC, the programs and events we offer, our Butterfly House, and how you can volunteer. Find out where we are and when you can visit us."

Bo told us about the award-winning building and all of its wonderful features.

President Mary Cockley presented Bo Glover with a Club check for \$1,000 with Dr. Norman Loats and Chris Szechenyi's approval

The Nethercutt Museum

The Club field trip is planned for Saturday, June 13 to The Nethercutt Museum in Sylmar, CA. Considering the time it will take to get there it is recommended that we leave around 10:15 am. There is a 1:30-3:30 tour and the group could have lunch at noon at a nearby restaurant. Please e-mail Jeff if you are available to drive at jeff.heileson@nmfn.com.
