Catalina Weekend

Save the dates of May 15th through May 17th, in anticipation of finalization of plans for club members and spouses or significant others to take the boat from Newport Beach to Catalina to attend the annual Silent Movie Benefit on Saturday, and return home on Sunday. Plenty of time will be available on all three days for enjoying all sorts of island activity in Avalon and out on the Island, interspersed with dinner at the Longyear house Friday night, attending the silent movie, "The Black Pirate", starring Douglas Fairbanks Jr., followed by dinner in town on Saturday, and returning to Newport on Sunday.

We'll be putting together details in the next couple of weeks on where to get boat tickets, a short list among the many hotels to call for reservations, how to get theater tickets, and a listing of some of the many other activities available during the time we'll be there.

It will be helpful for us to know who among you might be interested in embarking on this adventure on the high seas -- so give us call, at 949-675-1180, or tap our email wdlongyear@gmail.com, with your early thoughts on the subject.
