### Craft Talks

.Tammy McKennon

Reniero Francisco introduced Tammy McKennon. Tammy is a Financial Advisor with Edwards Jones in their Newport Beach office. She was born in St. Louis and graduated from the University of Missouri. She has performed with Brad Pitt and went on a double date with Sheryl Crow.

Her husband is Jim and she has a son at Indiana University, and 2 daughters, Kathryn and Mary. Her husband's career landed them in Las Vegas and in 2001 they moved to California where he is the CEO of a restaurant chain. Tammy went back to work when her son went away to college. She told us about her career with Edward Jones. One of her passions is baking pies, which she gives to her clients. Today she brought every member in attendance a sample of her apple pie – which was wonderful.

Next Reniero introduced Joe Bailey. Joe was born in Burbank and grew up in Encino and then Lancaster. He always wanted to be a Marine. He had a brother in Viet Nam. His father would not sign the papers for him to join, so he went to college. He was then drafted into the Army but he joined the Marines. He was an auditor and spent 3 years on a ship. After graduating from Graduate School he taught at the US Naval Academy. After 22 years in the Marines he took the CPA test and then retired. He passed the test when he was working for Costco. He has taught at various colleges. He moved his family to Dallas and opened his own practice. In October 2009 he moved his family back to California. He and his wife, Candy, have 3 children and 5 grandchildren. His son is a police officer in Sacramento and his youngest daughter is studying nursing. His other daughter just gave birth to their 5<sup>th</sup> grandchild.

Welcome Tammy and Joe. Your membership has truly enhanced our Club and we look forward to getting to know you better.

**A book will be donated to Newport Beach Library in the name of Kimberly McKennon and Joe Bailey.**
