Presidential Commission – Evaluation of Lobsterfest 2010

Gordon Bagne

Gordon Bagne announced that he is heading up a Presidential Commission to evaluate the 2010 Lobsterfest and members are asked to answer via e-mail to Gordon at Gordon@plasticolorinc.com, their answers to the following questions only:

1. Should the Lobsterfest be our Club's annual fundraiser in 2011?
2. If "yes", should it continue to be a large community event or should it return to a smaller format? What are the next steps that should be taken for the 2011 event?

3. If “no” what are the next steps that should be taken to decide what the 2011 fundraiser should be?
4. Should the Club’s annual fundraiser primarily focus on raising as much money as possible for the Club’s foundation or should it have a different focus?
5. Should the Club have both a large, annual, public fundraising event – perhaps run by a paid professional – and a smaller, annual private Club fundraiser party?

Please only answer these questions only and hold any comments you may have on this year’s fundraiser.

[Operation Homefront](#)

Kim Farling

Cynthia Cowell introduced Kim Farling of Operation Homefront. Operation Homefront is a safety net of support for service members' families around the world. Their scope of services is far-reaching yet specific enough to meet the needs of military families. They are only limited by their finances. They provide financial assistance, food, household goods and other services to families in need. Eighty-four cents of every dollar benefits a service member or family in need. They ship care packages to deployed troops through eCarePackage.org. During the holiday season, they host toy drives and other programs to help families celebrate – even if they are thousands of miles apart. Donations can be sent to:

Operation Homefront
PO Box 26747
San Diego, CA 92196

A book will be donated to Newport Beach Library in the name of Kim Farling.
