[RYLA and Scholarships](#)

Phil Reynolds received a thank you from Annie Younglove from the Career Center at Back Bay/Monte Vista High School

“Dear Phil, Oh my goodness these young men and women had an amazing experience at RYLA. First and foremost they met one of our past graduates Jordan Vison who is a camp counselor there and that was a great connection. That being said all of the four students came back with remarkable stories and are ready and prepared to step up to lead our ASB next year. They exchanged phone numbers and email addresses with other students from other schools. Armando's mother is thrilled that he couldn't stop talking about the weekend, she said he has never in his life been so enthusiastic and so talkative! A shy young man gained confidence on this great weekend! Jasmine, Savannah, and Carlos said they gained so much from this, they wished they could go again and again! So thank you to Sunrise Rotary yet again for your steadfast support of our students, you truly are changing their lives!”
